General Conditions

1. Acceptance of this plan by Service Oil Company is subject to an inspection of the heating equipment by company representative. Plan is available to residential customers only.
2. Customer agrees to automatically purchase total heating oil requirements from Service Oil during the term of this agreement. If heating oil deliveries are discontinued for any reason, this policy will be automatically terminated.
3. This plan will be effective only if fully paid for according to terms. For customer convenience the cost of policy may be included in a budget plan.
4. This plan may be canceled without refund if budget payments are not made according to terms.
5. Coverage under this plan will automatically renew for consecutive one year periods unless customer or Service Oil Company gives written notice of cancellation prior to end of the policy year.
6. This plan does not cover damage to the heating system due to flooded basements, fire, frozen pipes, interruption of electric power, other acts of God, customer negligence, or inadequate fuel supply due to delinquent account payments.
7. Emergency no heat calls are covered 24 hours a day 7 days a week. Non-emergency calls are covered during regular work hours. Non-emergency calls after 4:00pm Monday through Friday and on weekends and holidays will be billed at prevailing rates.
8. This plan does not cover secondary damage, including environmental damage due to equipment failure, or failure to deliver prompt service due to circumstances beyond our control.
9. Customer is responsible for the cost of providing access to all concealed or hidden components of the heating system.
10. This plan does not cover repairs to general household wiring, plumbing, or building structure.
11. This plan does not include the responsibility for the handling, discovery or removal of asbestos or equipment containing asbestos.
12. This plan is subject to termination if service is not performed by Service Oil Co. employees or its agents.
13. This plan does not cover fuel flow problems in outdoor or underground tanks.
14. Failures resulting from poor water quality are not covered under any agreement.
15. Customer is responsible for air filter replacement and battery replacement (other than at time of annual maintenance)
16. This plan is designed for home heating systems only. A separate policy is available for other equipment.
17. Dual Fuel (e.g. propane-wood or propane-coal) heating equipment is not covered under this plan.
18. Replacement of furnace or boiler is at Service Oil Company's discretion on blanket plan only.
19. Coverage under this plan is secondary to coverage under other insurance policies.
20. This plan does not cover changes made for aesthetic reasons.
21. This plan does not include coverage for pre-existing conditions.
22. Parts used for both heating and air-conditioning will be billed at a discounted rate if replaced during the air-conditioning season.
23. Add-ons such as humidifiers, power venters, Electric air filters, wi-fi thermostats, UV lights etc are not covered.
24. The oil heating system must be the primary source of heat.
25. A minimum of 400gallons of heating oil must be purchased per year to qualify for a new plan.
26. Must be on Automatic delivery to qualify for the propane Blanket Plan. If propane deliveries are discontinued for any reason, this policy will be automatically terminated.
27. Propane and Natural gas plans do not cover instantaneous or on demand hot water heaters
28. Replacement allowances can not be combined with any other offers.
29. Annual Maintenance is scheduled upon customer's request.
